§ 1. Definitions

The terms used herein shall have the following meaning:

- 1) Agreement - means this agreement;
- 2) annual train timetable - train timetable valid between two consecutive changes of train timetables, taking place at midnight on the second Saturday in December;
- 3) Regulations - Network Statement defining the rules for allocation of capacity and utilization of this capacity within the given annual train timetable, prepared by the Infrastructure Manager, available on the website www.plk-sa.pl;
- 4) capacity - the possibility of exploitation and movement of a railway to carry train passes at a given time;
- 5) framework capacity - capacity reserved under the Agreement;
- 6) time frames - two-hour period in which train paths are to be allocated as part of the annual train timetable.

§ 2. Subject matter of the Agreement

1. The subject hereof is the reservation of the framework capacity of the line / rail sections on the basis of which the Applicant shall submit applications for allocation of train paths in accordance with the rules applicable in the annual train timetable.
2. The framework capacity of the line / rail sections in subsequent annual train timetables is defined in **Annex No. 1**.
3. Destinations of planned train paths for which the framework capacity has been reserved are defined in **Annex No. 2**.

§ 3. Rights and obligations of the Parties to the Agreement

1. In the process of reserving framework capacity, the Parties undertake to respect the principles set forth in subsection 2.3.1 of the Regulations.
2. Within the deadline set out in the Regulations the Applicant, within the given annual train timetable, shall submit applications for allocation of train paths in the relations specified in **Annex No. 2** using the 100% reserved framework capacity.
3. The Applicant shall inform the Infrastructure Manager promptly of any intention not to use the framework capacity and shall resign from it.

Resignation of the framework capacity is made in writing to:

PKP Polskie Linie Kolejowe S.A. Centrala
Biuro Sprzedaży
03-734 Warszawa, ul. Targowa 74
e-mail: ius@plk-sa.pl

4. Resignation from the framework capacity, submitted at least 3 months prior to the deadline for submitting applications for allocation of train paths in a given annual train timetable, results in reduced number of reserved routes and amendment hereof.
5. In the Applicant shall not submit the application for allocation of train paths within the annual train timetable, based on the framework capacity specified in **Annex No. 1**, the unused framework capacity shall be released in that annual train schedule and the Infrastructure Manager shall have the right to dispose of it.

Release of unused framework capacity shall take place at the expiry date specified in the Regulation, as the deadline for submitting applications for allocation of train paths within the given annual train timetable. This does not constitute an amendment hereto and does not require a written form.

6. If the Applicant fails to give the reasons referred to in point 5 within 14 days after the deadline for submission of applications for allocation of train paths in the annual train timetable, or cause will be on the part of the Applicant, the Infrastructure Manager shall modify the Agreement for subsequent annual train timetables for the number of unused routes.
7. The Infrastructure Manager assigns the applicant the train paths within the annual train timetable specified in **Annex No. 2**, for which the railway line framework capacity has been reserved, on the basis of regulations valid in the annual timetable for trains.
8. The Infrastructure Manager, in the cases referred to in points 4, 5 and 6 reserves the right to amend the Agreement in order to allow achieving a better use of the framework railway lines capacity.
9. In the event of a collision of an application for a framework capacity between a framework agreement and/or other framework capacity applications, the Infrastructure Manager, after conducting the coordination process in accordance with the principles defined in subsection 4.4.2, reserves the right to modify the Agreement.
10. Twice a year, i.e. in April and October, the Infrastructure Manager performs periodic consultations with the Applicant to review the Agreement and justify its continuation.

The Infrastructure Manager in the event of stating that the use on the given railway lines is less than 70% of the number of trains for a period of three consecutive calendar months: January to March, July to September for which the annual train timetable were allocated according to the allocated framework capacity, reduces the railway capacity for these rail lines/sections as defined in **Annex No. 1**, the framework capacity for subsequent annual train schedules accordingly to % of its non-use.

If the Applicant presents reasons for lower use of the number of train paths, PLK with the Applicant shall determine the amount of reduction of the framework capacity for those lines/sections.

§ 4. Posts designated for cooperation

1. The Parties agree that for transmission of information related to the performance hereof, the following shall be notified accordingly:

- 2) on the part of the Applicant:

.....,

address:,

e-mail:

2. The Parties undertake to inform each other immediately of any change in the contact details necessary for the proper performance hereof.

Changed of the above-mentioned data does not constitute an amendment hereto and is binding upon the date on which the Party has served a written notice to the other Party.

§ 5. Penalties for not using framework capacity and deadlines and manner of paying them*

1. The Infrastructure Manager, for each train for which a framework capacity has been reserved for which application to allocate train path has been submitted, within the time limit set for drawing up the annual train timetable, in the case referred to in § 3 sec. 6, will charge 100% of the basic fee for this train journey, however, not less than PLN 1000.00.

The Infrastructure Manager shall issue an invoice within one month after the end of the period for submitting applications for allocation of the train path in the annual train timetable as specified in the Regulations for the train timetable.

2. In the event that the applicant submits a resignation of a given capacity within less than 3 months prior to the deadline for submission of applications for allocation of routes in the annual train timetable, the Infrastructure Manager shall charge a fee of PLN 100 for each train the reserved framework capacity concerned, separately for each train timetable.

The Infrastructure Manager shall issue an invoice within 7 days after resignation from the framework capacity.

3. Receivables resulting from invoices are paid within 21 days from the date of issue of the invoice - to the account indicated in the invoice.
4. When invoicing the fee is augmented by the due VAT, in accordance with applicable law.
5. The invoice is deemed to be settled on the date on which the bank account of the Infrastructure Manager is credited with an amount equal to the value of the invoice issued.
6. Statutory interest shall be accrued for a delay in payment of the due amount.

§ 6. Special obligations of the Parties

1. The Parties undertake to exercise their obligations hereunder with due diligence.
2. The Parties undertake to inform each other immediately of any circumstances and events that affect the performance of their obligations hereunder, including in particular those which may have adverse effects on one or both Parties.
3. As a security of claims of the Infrastructure Manager, the Applicant is required to provide financial guarantees.
